On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB1576

Dear Committee members - Please support SB 1576-3, clarifying what constitutes "recreation" on public property. We are fortunate to have so many beautiful places to walk, ride, bike, hike and enjoy in Oregon. The threat of lawsuits should not limit our access to these special places. This bill is an important clarification of who should take responsibility for accidents or injuries while hiking or walking to access public property. Thank you for your prompt response to this problem.
