On Behalf Of:

Committee: Joint Committee On Transportation

Measure: SB1572

Hello,

I think studying the possibility of expanding transportation service between Portland and Salem is a worthwhile idea and I urge you to support SB 1572. I don't have a car but I still love visiting different cities and towns throughout Oregon, supporting local commerce, and expanding the train service would help make that possible. Please support SB 1572. Thank you.
