

Submitter: Jan Moran
On Behalf Of:
Committee: House Committee On Rules
Measure: HJR201

This NEEDS to be a NO vote!!!

We are already overtaxed on our property taxes of which we also pay income taxes to fund the same expenditures.

I am a retired senior citizen living on a fixed income and can not afford to have my taxes continually increased!!!

Every year they already go up by a minimum of 12% to 15% the way it is and NOW you are wanting to take off ALL controls allowing statewide taxes WITHOUT Limits. This bill would remove the Constitutional limits on property taxes (Measure 5) AND assessment rates (Measure 50) with exceptions

VOTE NO
VOTE NO
VOTE NO

AMEN!!!
