

Submitter: Bill Sproull
On Behalf Of:
Committee: House Committee On Rules
Measure: HJR201

Oregon does not need an administrative authority or any additional gov't bureaucracy to get our cities safe again. We need the DAs to prosecute and the judiciary to sentence offenders, all the way down to petty crimes. The police are already funded locally. Put your focus on getting drugs off our streets.

Absolutely do not raise Oregonian's taxes to fund more bloated bureaucracy in this state.
