I believe it's time you looked to the budget.

Personally we have homeowners insurance. Miami Corp should have insurance. When a person looks at your frivolous spending of "we the people's hard earned money":

\$29 million..shelter for illegal immigrants.

\$??? million for bridges to nowhere (1 over the Columbia River, 1 fixing highway 20 between Corvallis and Newport.

Let's be clear...NO MORE TAXES! This is nothing but another land grab tactic.

Stop the lies. Stop the steal. Stop the cartel.

Allow the firefighters to do their job! Stop pulling them from our forests..allowing more carbon into the atmosphere. Let our loggers manage the forests! They're the ones upkeeping the roads used to get in (should a fire start). You're fixing to put a stop to that as well...causing ODFW to lose \$\$\$ that goes into the communities for vital services....\$\$\$\$ by the way through taxes loggers pay. Loggers and true environmental cautious persons know green trees are air cleaners.

We are 200% against this money grab scheme.
