

Submitter: Susan Anderson
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB1576

To whom it may concern;

I am respectfully requesting my written testimony be included as part of the formal record. I am in opposition of SB1576. No matter what side of the fence you are on, NO county government should have the power nor the right to completely change the structure of their county government without the vote of the constituents! If the Gilliam County Court continues down this path, then language needs to be added to ensure that the County Court will put this before the voters for approval or denial. Let the people in the County decide, not the 3 people on the County Court!!!

I worked for Gilliam County as Planning Director for almost 20 years and during that time, and the 3 County Judges I worked under, NEVER undertook a drastic change such as this without taking the change to the Voters in the county.

Respectfully yours,
Susan Anderson
