On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

I support HB 1590 because it is fair.

I live on the river. Raised my kids wake surfing, wakeboarding, waterskiing, paddle boarding, kayaking.

To simple remove Surfing was ridiculous. Yet i recognize having boats surf by docks is equally ridiculous. HB 1590 reinstates the best compromise.

We drive to a surf zone and surf without effecting anyone's dock. Compromise. We need more of this in our Country.

Respectfully
