I STRONGLY OPPOSE HJR 201

The State of Oregon does not need to collect more money from its citizens - in fact is has a surplus of revenue. Where is our kicker??

If our state government cares so much about "public safety", then let them demonstrate that by rescinding the state's "sanctuary state" status, working with the citizens to repeal Ballot Measure 110, and enforcing the criminal laws on the books. As the proverb says, "an ounce of prevention is worth a pound of cure." It's time for the state to stop victimizing people then using those people to impose higher taxes on law-abiding citizens.
