On Behalf Of: All citizens and boaters  
Committee: Senate Committee On Natural Resources and Wildfire  
Measure: SB1590

SB 1590 will increase public access to towed water sports for hundreds of families along the Newberg Pool. This includes restoring carefully planned zones by the OSMB, shaped with input from diverse river stakeholders including small businesses, environmentalists and homeowners. These zones ensure safety for river users and the environment by limiting towed water sports to suitable areas.

This is a public river and the citizens should have access within safe limits.
