Measure: HJR201

We are so overtaxed already, multiple times on the same dollar we're working our butts off for. This is absolute tyranny! Hardworking, responsible Oregonians are exhausted from paying the way for those who don't contribute and aren't responsible. Taxing us to homelessness at the rate of damage you are pushing through, faster than our heads can turn. Without vote or consent. We are outraged at the irresponsibility and dictatorship. Stop punishing the home owners! This is wrong! You need to budget and stop spending and wasting our money. If we ran our finances the way you all do, we'd be bankrupt. Enough! Please don't pass this! There is more than enough money, it's up to you to budget correctly with it.
