

Submitter: Lindsey Marsh

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

I strongly oppose this proposed measure. Each community has different public safety needs and those needs should be addressed by local police and other community stake holders. Creating an entirely new administrative bureau is unnecessary and wasteful. Attemping to impose a property tax, without any real limitation, is insulting given the state and local governments' inability to use the tax dollars they already have wisely and efficiently.
