Measure: HJR201

Oregon has been listed as one of the most taxed states in the nation. And now you Democrats want to squeeze every last penny out of the people's wealth. Well it appears that there is a very large not only NO! But a Hell No! Democrats want the power to tax everything that Oregonians own, earn and strive for. Looking at the amount of opposing testimonies itvappearsvOregon Democrats have met the sane Indians who dumped the tea into Boston Harbor. Keep it up Democrats the clock is ticking towards November when the reckoning arrives.
