

Submitter: Vicki Knutsen  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: HJR201

I oppose further taxation.

There is high risk of throwing seniors, disabled and other limited income Oregonians out of their homes furthering the homeless crisis which is already costing Oregonians in many ways including crime and drugs. If they are taxed out of their homes we are only perpetuating the issues which are currently out of control.

We cannot afford more taxes. What is public safety? More reckless spending.
