Measure: SB1591

I support having 7 residents in AFCH. My name is Veronica Magda-Rafai and i've been in adult foster care home business I'm an owner for 30 years, and I think it's a great opportunity and need and it will help. We cannot afford to stay open with your Medicaid rate. We need an increase and also an increase on our capacity to be able to continue the great care in our frail elderly.
