Committee: House Committee On Agriculture, Land Use, Natural Resources, and  
Water

Measure: HB4106

I oppose HB 4106. If passed, this bill undermines the state forest plan and would result in more clearcuts, less habitat for salmon and wildlife, and more timber industry lawsuits. Please don't let this bill pass out of committee. Oregon should require Forest Stewardship Counsel (FSC) timber practices and certification for all lumber harvested in Oregon.
