On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB1591

My name is Tabitha Melinti, I am in support of SB1591 because we have the training, the ability and the love to serve our elderly community. I've been doing this type of work since 1996. I've taken care of my own parents while taking care of five other residents without any issues, strain in my work schedule or my performance to do the job.
