

Submitter: Carolyn Duehn

On Behalf
Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal
and World Affairs

Measure: SB1548

Dear Senators,

I just want to add my support for maintaining standard time year round in Oregon. Changing the clocks for daylight savings has been proven to be dangerous in general, and I personally find it very disruptive for me and my family. Please pass SB 1548.

Thank you.
