Committee: House Committee On Rules
Measure: HJR201

I am vehemently opposed to this proposal! As a lifelong Oregonian - and now a "senior citizen" - I live on a fixed income, having saved all of my adult life to ensure that I could retire comfortably and without falling dependent upon others. Additional taxation on property I have paid for - as a result of working for decades to earn - is alarming to say the least - and should not, under any circumstances, be pursued.
