

Submitter: Dina OBrien
On Behalf Of:
Committee: House Committee On Rules
Measure: HJR201

I strongly oppose an amendment to Oregon's constitution. Adding taxes to pay for public safety is a ludicrous idea. Not only is public safety something that should and is already funded, asking for additional funding will only case financial burdens on many individuals who are already struggling to make ends meet. I am one of those people. My neighbors are these people. Utilizing what has already been given as far as funding is what We The People have elected you to do.
