

Submitter: Judith Mosteller

On Behalf Of:

Committee: House Committee On Education

Measure: HB4161

I strongly urge you to vote YES on HB 4164. Parents should have more free choice of where they send their children to school. They should have the freedom to send their children to schools that align more with their family values without being so penalized by having to pay the extra tuition as well as taxes to support public schools.

This is the right thing to do.

Thank you,
