

Submitter: Lori Spencer  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: HJR201

I oppose amending the Oregon constitution in general. I also oppose this proposed statewide property tax. The government does not need more money from the taxpayers, rather it needs to better manage the funds it already has. We already pay taxes to fund public safety.

In these difficult economic times, we all have to make cuts and make do with what we already have. The government should do the same. This amendment would create a bigger government, which is never in the best interest of the people.
