Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

Dear Committee members,

Vote no on SB1589.

Since the passage of SB1589, there have been more overall users of the Newberg Pool. The argument of economic loss make no sense, when there are actually more users because the wake boats aren't dominating the river. More fishers, smaller boats and paddlers can enjoy the river.

Let's not make the 1% of wakeboaters dominate the river.

Thank you,

Amy
