

Submitter: Holly Manchester

On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

in regards to SB1590, let's listen to the experts. The scientists and professors that have no skin in the game.

The wakeboaters will make statements about erosion that serve their cause.

The experts will simply report the facts.

They say that the wave energy DOES cause erosion and near shore damage.

SB 1589 makes toatal sense, keep it as is.

No on SB1589
