

Submitter: Erica Tsuruta

On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

I am writing in opposition to SB1590.

I am a kayaker on the Willamette.

When the wake boats took over in the summer in previous years, it was nearly impossible for paddles to enjoy/navigate the river.

Their size and wakes basically make the river unusable by everyone else. It;s a safety issue as much as anything else. There are other areas to go for the big boats.
