

Submitter: Catherine Peloquin
On Behalf Of:
Committee: Senate Committee On Education
Measure: SB1583

I am writing to voice my strong support for the bill to "Ban Book Bans".

Including diverse perspectives strengthens our communities and schools. Passing this bill is taking a stand for intellectual rigor by ensuring that material selection is not driven by discrimination. When we allow discrimination to guide our judgement under the guise of "protecting" children or community members we in fact do the opposite.

Stand up for our children and our communities: ban book bans.
