

Submitter: Kelly Gilmore

On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

Dear committee members and other voting law makers,
I am writing in strong support of SB1590. In short, a return of the designated zones away from homes on the river is a fair compromise that allows for the safe and equal usage of our beloved Willamette river. Please vote to support this bill.

Thank you for your time,

Kelly Gilmore
