Measure: HJR201

I oppose this bill as this will give all control to the stete how much and how often they will be adding more and more property taxes. We pay too much already in taxes. We can't afford this with inflation of goods and services, like 30%electric bill increase in just 12 months, groceries are out of sight! Vote no and use our hard earned money wiser as that is why you in office isn't it? Thank you.
