

Submitter: Alec Keele
On Behalf Of:
Committee: House Committee On Rules
Measure: HJR201

As someone who is struggling to make ends meet as it is, on an income level above minimum wage. I oppose this bill because this will financially burden the middle class and bleed the Oregon economy completely dry. As a result of this, we will no longer be able to support the local businesses in this state and the state will fall into debt the same way Michigan has. We don't want to be Michigan do we?
