Measure: SB1591

I support having 7 residents in Adult Care Homes. I grew up in an adult care home myself, my mom operated an adult care home for over 32 years, and now I have the opportunity to own a home myself and my children are growing up the same way I did around elderly, there is no greater joy than caring for these individuals and becoming apart of one another's families. This would be wonderful to be able to care for more elderly in the community. I also support an increase for Medicaid rates.
