

Submitter: Wayde Johnson

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB1576

This bill should never have been written and then submitted. Some history: The Boston Tea Party followed by the Revolutionary War and Gaining the independence of the colonies. Then our forefathers signing the Constitution forming A Representative Republic thus giving We the people and the government some rules. One that stands out to me is basic rights of citizens such as Freedom of Speech, Religion and Due Process.

Three Persons sent this bill to be passed as law without the due process of the law.

I grew up in Gilliam County and strongly feel Due Process was avoided to dismantle Key Positions further avoiding Due Process for the people of Gilliam County.

Respectfully, Wayde Johnson.
