

Submitter: Lori Howk

On Behalf
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HB4106

I oppose HB 4106. It is about timber interests, maximum harvest, and would not meet the requirement that state forests to be managed for multiple values to benefit all Oregonians. Please move forward with the Habitat Conservation Plan, Climate Change and Carbon Plan. If you pass this bill it would negate those efforts.
