

Submitter: David Wall
On Behalf Of: Mr Oregon SUPPORTS HB 4147
Committee: House Committee On Education
Measure: HB4147

I SUPPORT [HB 4147].

The Legislature would have to set the Bail schedules to prevent the injury and or death to children exiting school buses from wayward drivers.

The Bail schedules should be designed to hurt really bad (financially / Jail time) to deter future conduct.

David S. Wall
Mr. Oregon Concurs.
