

Submitter: Steven Odom

On Behalf Of:

Committee: House Committee On Rules

Measure: HB4075

I absolutely OPPOSE more government taxation, more government oversight when our Oregon government has been failing us for years. The solution is not more taxes. HB4075 would instantly put thousands of homeowners already stretched thin with high inflation & high property taxes that are on fixed incomes to not have the ability to stay in a home they own because the assumed values would instantly make it unaffordable. This is tyrannical & unconstitutional!
