On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

My name is Bonita "Bo" Rushing

I ask you to support SB 1590. Boating is very important to our communities and families. The boating bans have had a hugely negative effect on our family as well as real estate values. They have pushed us into small areas (some of which are superfund environmental sites and not safe for families) and this has caused major congestion and an unsafe environment for boaters and towed motor sports. Many local boating related business have significantly suffered.

Thank you for voting in favor of this bill.
