On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB1591

I am a caregiver for an adult foster home and have witnessed the need for placement in our home. Most of the time we are full and cannot meet the demand of vacant rooms due to the 5 resident limit. There are many residents that appreciate the personalized care and home like environment and are just waiting for an opening. With the "baby boomers" just hitting retirement, actions need to be taken now to avoid a placement catastrophe in the future.
