

Submitter: Michele Zagorski
On Behalf Of:
Committee: House Committee On Rules
Measure: HJR201

Oregon is already one of the most taxed, and most expensive states to live in. For years, I have been debating whether it is worth staying. If this passes, the state will hemorrhage taxpayers like a cut artery. There will be no law-abiding, tax-paying Oregonians left to line the pockets of corrupt politicians. It will be the demise of a once beautiful state.
