

Submitter: Michael Berent

On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

I am in support of opening up the Willamette River waterways again. Its not the type of boat that is the problem, its the driver. Any fishing boat or police boat or any boat can make a wake that is un-wanted or annoying. Boaters need to be aware and respectful drivers. Shutting down the boating and towing on the Willamette just congested other parts of the river. Please consider changing these regulations on the Willamette so all boat owners can enjoy the river.
