Measure: SB1559

ABSOLUTELY VOTE NO NO NO NO NO. ON THIS BILL. We don't need higher taxes for any reason. Oregonians already pay higher state taxes than any other state. We are already fighting Biden's inflation, high priced everything from food & gasoline to high energy costs. You are there in state government to represent your constituents & the US & State Constitutions bound to them by your oath of office,; you are not there to represent your personal &/or your party affiliation's Agendas. VOTE NO. Your constituents DEMAND IT!!! Remember You work for us! You are our Employee!
