

Submitter: Janet K

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

I currently have affordable but with the increase in food, electricity, gas an increase in property taxes will eventually put me out of my home. I have already had to adjust my W4 to make ends meet so now I get to pay even more income tax for just trying to survive. I am a nurse & make a decent living but the greedy hands of politicians are killing this gorgeous state. More taxes & misuse of money has to stop.
