

Submitter: Amanda Case

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

I strongly oppose modifying our state constitution in a way that give the state legislation the ability to increase and control taxation on our residents. It is not the states role to control the taxes in different areas of our states and communities. Stop trying to find more ways to take more of our money in taxes!!! Instead address the mass areas of waste in this state. You don't need more money, you need to be better with what you have and work on ways to CUT taxes.
