

Submitter: Renee Carlson

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

I ask that you reject HJR 201 as adding taxes on personal items seems to be a work around a sales tax that Oregonians have rejected time after time. It also looks like a way to get to what the WEF is working towards "you'll own nothing and be happy ". Stop complying with the WEF, and I'll be happy.
