

Submitter: Deborah Brown

On Behalf Of: self

Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure: HB4059

I support HB 4059 because of my interest in the economic viability of small farming and organic farming. I strongly oppose HB 4059-8. Canola oil is detrimental to human health and the crops have a negative impact to surrounding beneficial crops. Please pass HB 4059.

Thank you,
Deborah Brown
