

Submitter: Cindy Fincher

On Behalf Of:

Committee: House Committee On Rules

Measure: HB4075

I wish I could say this is a good idea. It's not. Oregon as a governing entity fails at every turn. We don't need new task forces or new bodies of administration. We need to correct the problems that we have. We need to examine the governing bodies that are already funded and examine the efficiency of those before creating anything new.
