

Submitter: Jeremy Kotin

On Behalf Of: Joint Subcommittee On Capital Construction

Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction

Measure: HB5201

Please support this so we have a place for our Ems! It's a Eugene staple, or would be devastating to lose our farm team. I remember going to the old stadium as a kid and hate to think I wouldn't be able to take my own kids someday. Please, support this project!
