

Submitter: Mary Stevens

On Behalf Of: Lane County Multi-Use Public Facility

Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction

Measure: HB5201

Dear Eugene City Council,

I am writing to you to request you put the bond to support the Multi-use facility on the ballot for the May election. As part of the Eugene community my entire life, the emeralds baseball has always been a part of my life, to have the ability to attend a game as a child in my hometown, then take my own children and now my grandchildren are something we will want to continue to have for our family and making memories with other families and friends. Please help our community keep something great for all our families!

Thank you,
Mary
