Construction

Measure: HB5201

Hello,

I attend many Ems games. Having a baseball team in Eugene makes it so much better. The kids have fun, the families have fun, and it's great for corporate or appreciation events. I for one would be happy to pay more in taxes to fund a multi-use facility. If the city of Eugene lets this team slip away, it will be such a disservice to the community. It's good wholesome safe fun. Please keep our Ems in Eugene
