

Submitter: Chelsea Lofstedt

On Behalf Of: Salem Baseball Softball Turf Project

Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction

Measure: HB5201

To whom it may concern:

McKay Athletics Program is in support of the Salem Baseball / Softball Turf Project at Willamette University. We support this project because we would like to explore a partnership that enables our programs access to better sports complex options. Our fields are in desperate need of improvement, and students should be able to participate in sports on or in a quality sports complex that instills pride amongst our student athletes.

Thank you for your consideration,

McKay Athletic Director and Student Athletes
