Measure: HB5201

I am. In support of HB5201. I am retired and have found working for the Hillsboro Hops a wonderful experience. I have observed different people from all stages in life watching Hops games. Grandparents with grandchildren, parents explains and celebrating the game with their children, teens enjoying the game with their friends, boyfriends and girlfriends, neighbors with neighbors etc. It would be a shame to not have the Hops in Hillsboro to provide a place for community to gather, have fun and celebrate. "Baseball is still the godfather of American sports"

Please vote in support of HB5201.
