

Submitter: Patricia Myers

On Behalf Of: Hope Plaza Housing Project

Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction

Measure: HB5201

Thank you for the opportunity to give input on this issue. Funding Hope Plaza will allow affordable housing for people fleeing domestic violence and/ sex trafficking. What better way to help than to provide housing? Having a safe home is critically important to the process of healing from victimization. Children who have witnessed or experienced violence and other forms of abuse require safety to be able to grow into healthy functioning adults. Please consider this funding for Hope Plaza as doing so will only have a positive and substantial impact on the people that will be served. Thank you for your consideration of this request.
