Re: Lane County Multi-Use Public Facility

Dear Co-Chair Holvey, Co-Chair Girod, and Members of the Committee:

I want to thank you for your time and consideration of the Eugene Emeralds on Friday, February 16. As a 42-year resident of Eugene, Oregon, I have enjoyed being a fan and watching the Eugene Emeralds as I grew up. My family has created many special memories at the games over the years and now I get to share them with my kids! My first job was with the Eugene Emeralds, at 15 years old and I continued to work each summer into college at the University of Oregon. The Ems provided me an incredible start to my working career as I had fun and got to enjoy my favorite sport, baseball. Please vote in support for the Ems as they are an important part to our City culture and economic development. The jobs provided to local high school and college students is critical in their own successful career paths. In a community with limited affordable family entertainment, the Stadium events and Eugene Emeralds games will be a great place for families to create lifelong memories. Please join me in saying Go Ems!

Sincerely,
